

CLASSICS & GAFFERS ENTRIES

There are no larger, faster boats in this year's Classics & Gaffers entries, as a consequence of which all boats entered in this class will start at the Classics & Gaffers 'B' start time (scheduled for 12.00 each day).

However, whilst one set of results will be calculated each day, the boats will be designed in either 'A' or 'B' group, with daily prizes awarded to the leading boats in each group.

The perpetual trophies designated for the Classics & Gaffers 'A' fleet will be awarded to the 'A' group and the trophies designated for the 'B' fleet will be awarded to the 'B' group.
